

OAHU'S NEIGHBORHOOD BOARD SYSTEM

INFORMATIONAL BOUNDARY MAPS

FOREWORD

The Neighborhood Commission is providing this updated edition of the informational boundary maps and geographical definitions for thirty-five Neighborhood Areas in Oahu's Neighborhood Board system for guidance purposes.

It should be noted the 1998 edition reflects all amendments which have been adopted by the Neighborhood Commission subsequent to 1993. These include boundary changes for Neighborhood Areas #20-Aiea, #21-Pearl City, #23-Ewa, and #26-Wahiawa. Two new neighborhoods have been created and boards subsequently formed in Neighborhood Areas #34, Makakilo/Kapolei/Honokai Hale, and #35, Mililani Mauka-Launani Valley. Subdistrict boundary amendments have also been adopted for Neighborhood Boards #20 Aiea, and #25 Mililani/Waipio/Melemanu.

This edition of informational boundary maps and geographical definitions replaces all previous editions and sets forth all boundary provisions in effect at the time of this publication.
